INTeresting – 2 December 2019

Apologies for late delivery … better late than never. INTeresting is likely to become INTermittent over the next month or so given fewer orienteering events happening (and there's that Christmas thing going on too …)

Also, a reminder from various SI gurus (Messrs Strain and Hensman in particular) that if you have acquired a dibber from someone, you need to ask them to update the details on the SI website (https://www.sportident.co.uk/sicard_archive/sicards/). Otherwise the SI team on the day has to try to deal with people apparently running multiple course at the same time, or M45s running W10 courses etc.

News

- The Club's training weekend at Hawkshead was a great success, with training on the Saturday, a showing of the Greatest Showman in Carol McNeil's cinema (well, one she helped create in her village), and various orienteering and non-orienteering activities on the Sunday. Thanks to Lorna for organising.
- Some of those who couldn't make it to the Lakes were in action at ELO's Duns Wood event – lovely woodland if a little muddy in rather a lot of places! Well done to Matthew Ross (1st in light green), David Ivory (2nd light green), Thomas Ross (3rd, light green), James Hartman (4th, light green), Ben Ross (4th in orange), Mary Ross (4th, green), Angus Ivory (1st in blue), Ben Hartman (5th in blue) and William Ivory (3rd on brown)
- There will be a club strategy meeting on Monday 9th December, 7pm at Falcon Tennis Club (to be confirmed). Please reply to Max's email to let us know if you can make it, and if you can't, please email Max with any suggestions.
- Many thanks to the Carcases for hosting the club's St Andrew's Day party last Saturday.
