PRESENT: Scott Balfour, Janet Fallon, Jane Cherry, Jackie Robinson, Steve Terry, Charlie Walton, Christine Whalley.

1) Matters Arising from previous minutes

a) LBOA: Next meeting on 15th January; Scott to try to attend.

2) Secretary's Report

a) Highland '87 "post-mortem" meeting: Charlie reported very little of value said. More details of Loch Lomond '89 should appear soon, and major officials will be required.
b) CompassSport Cup: We have a bye to the 2nd round where we play the winners of the FVO v. RSOC match.

3) Treasurer's Report

a) Uncashed cheque – paid to 'Ultrasport' for O-suits – to be cancelled and reissued.
b) O-suits: some payments not yet received.
c) LOL income: to be sorted by Janet.
d) Mapping pen: Norma Boyd needs receipt to try and change faulty pen.

4) Events

a) Lothian O league at Kinnail Wood, 13th December: Successful event. Late registration – no details from BOF yet. Lateness of maps caused some problems – thanks to LINOC for their help. Thanks to Elizabeth Duke, now returned to New Zealand, for planning. We hope to use Archerfield next year and will ask for a February date.

b) Summer Series : INT initially down for 3 events; brief discussion with Graham McIntyre suggests Inveralmond may take on 1, leaving us 2. Small areas — Colinton Dell, Riccarton - seen as more suitable for mini-series later in the summer, so we will ask EVOC if we can use Corstorphine and Holyrood. Scott and Janet volunteered to act as officials. Further liason with LBOA required.

c) Open event in the autumn : Perth Orienteers (new club) may hold an event at Kinnoul Hill in the autumn — a joint venture may be a possibility. STAVOC report few Lomonds maps left but may be interested in a re-map. No other suitable venues suggested.

d) Further ahead : INT have been allocated the SE Area Champs in 1989 — an area is required. We are also committed to Loch Lomond '89 in the summer. We are due to hold the Scottish Champs. in 1991 — work will have to start well in advance.

e) World Cup selection race : to take place at Touch on 21th April; volunteers required to help out, helpers can also get a run.

5) Mapping -

a) Archerfield : no progress due to shooting season, transport and pen problems; Steve to contact Lorna Boyd.

b) Hillend : Scott going ahead.

c) Colinton Dell : wrong time of year to approach MCS about extension - Christine to follow up when suitable.

d) Others : Derek Allison mentioned possible area near Perth — worth investigating?

6) Newsletter

Next issue likely to be a little late

7) Socials

a) Burns Supper, 25th Jan at the Southsider. Booked for 20.

8) Other business

a) Training : Scott has invited a number of club juniors to SE Area training, 17th Jan. Charlie suggested club training day on a "free" sunday, possibly based at Riccarton. Significant amount of help required. Best date appears to be 10th April ; Charlie to investigate further.

b) Juniors : someone to take an interest is required if we are to make progress – we have the basis of a reasonable junior team in a few years time.

c) Books : club to go ahead and get copy of "Teaching Orienteering"

d) T-shirts : no progress, but has not been forgotten.

e) Equipment : still scattered far and wide, and in need of a home and an inventory. Perhaps at the Squires or the Sinclairs? Scott to hang on to "small event" kit. Sign boards have still to be obtained from Cliff White.

Next meeting: Mon 29th February, at Jane's, 101 East Claremont Street, at 8pm
