SECOND COMMITTEE MEETING, THIRTEENTH YEAR

8pm, Monday 22nd August 1988, at 127 Spottiswoode Gardens, Mid Calder

PRESENT: Janet Fallon, Ian McIntyre, Pat Squire, Steve Terry, Charlie Walton

APOLOGIES: Jane Cherry, Julie Grant, Christine Whalley

Notes: Julie Grant has had to give up as social secretary as she is leaving the country to work in Bermuda for a couple of years. Janet offered to fill in as social secretary. Ian McIntyre may be posted to the south of France for a few months from October. Steve Terry will be away down under for a couple of months over new year.

1) Secretary's Report

a) SOA minutes included commendation of Scott Balfours controlling at the scottish relays.
b) LINOC may be using the old Drummond Hill map for the Scottish Champs next year.
c) Competitions convener contacted about getting Janet Fallon on the Controllers List.
d) Eildon Hills proposed for mapping under the Sub-National Facility scheme by LBOA.
e) We are continuing to collect new club members fairly regularly.

2) Treasurer's Report

a) £120 received via CLYDE for Highland '87.
b) Club finances generally healthy.
c) Printing the new Archerfield map will be a major expense due later this year. The "mapping money" in our account is for map production expenses rather than printing costs.

3) Events

a) LOL '89: Ian McLean in process of requesting permission to use Archerfield. Once permission is sorted out we need to

Events (cont.)

register the event and find a controller. Fred Kernaghan or someone else in ELO were possibilities mentioned for controller. Charlie to check up on progress. Map – see Mapping.

b) Perth Orienteers event, 15th October 1988: open event to be held alongside senior home international relays. Charlie has been in touch with P.O. and has offered assistance in the form of manpower and equipment. Meeting saturday 27/8/88 - Charlie to go along.

c) 6-Day, Loch Lomond '89: Steve agreed to take on the job of organiser. Ian's probable absence may cause planning problems. Controllers and planners have visited the area and have draft maps – it appears to be a very poor quality area for orienteering.

d) SE Area Championships '89: We think we have first option on 15th October 1989 – up to SOA Fixtures secretary. Lomonds of Fife looks promising, re-map being carried out for British Students Relay champs (April '89) and permission may be OK. Simon Thompson is now based in St. Andrews again and is in touch with relevant people. Map progress to be checked with Simon.

e) Scottish Championships 1991: Some progress – Charlie has reported our ideas to the SOA competitions convener and has also made an enquiry about using Airds Park at Connel. The SOA minutes mentioned that the JK '90 area would be available for the Scottish in '91, so this is another possible venue (Dunkeld area we believe).

f) Autumn mini-series: 3 events going ahead, at Riccarton, Colinton Dell and Hillend.

4) Mapping

Steve reported some progress with the Archerfield map. He will ensure it is ready for printing before he heads off on holiday in December. We hope to have maps before Christmas.

5) LBOA

Nothing to report; Ian going to meeting on 1st September.

6) Newsletter

Jane is on holiday until mid-September. We hope we can get a newsletter out in early October.

7) Socials

a) Club Champs. 17/8/88 at Gullane Dunes: a good event with a reasonable turnout. Thanks to Jane for organising. Good barbecue as well. Barbecue set suffered some damage to its feet which we will try to repair.

b) Further ahead – Skittles at the Sheeps Heid 29/11/88. Charlie suggested inviting EUOC or someone else for a match to add to the numbers.

8) AOB

a) Pat suggested training days aimed mainly at junior members, to get to know people and teach basic skills. Saturdays were suggested, perhaps linked to a LOL event on the Sunday.

Next meeting: Monday 7th November 1988, 8pm, at Janets flat, 2/4 New Orchardfield, off Leith Walk, Edinburgh (by Springfield St.)
