## NEWSLETTER

Number 72 - May 1990

Just a mini-newsletter this time with A.G.M. details and a few bits and pieces of news. Note that the A.G.M. is in a slightly different venue this year from the previous few years, we have a room in the **Edinburgh University Sports Centre** rather than the Societies Centre. It's still on the Pleasance, it's just one gateway further north - just go in through the Sports Centre main entrance and the people at the desk should be able to direct you to the room. The club **Annual Dinner** takes place after the A.G.M. - even if you can't make the meeting, do come along to the meal, 9.30 at Ike's Pizza Emporium on Rose Street. It would be really helpful if you could try and contact Lucy Patterson (031 229 6732) a few days beforehand so we have some idea of numbers.

 **New Interløpers O-suits:** a few designs have been suggested and we are currently negotiating with the manufacturers to see what is possible. We hope to have a design and to be ready to take orders at the A.G.M. - make sure you get one of the first batch!

 A big thanks to everyone who helped out at the **JK Relays** on Easter Monday. Everything went pretty well, except the weather which was pretty awful at times! Snow, sleet, hail, rain and winds all battered the finish team in between pleasant sunny intervals - well done and thanks to all who braved the elements.

 Remember the **Edinburgh Summer Series**, Wednesday evenings through May and June. Full details available soon, please come along to or help out at the Interløpers events at **Colinton Dell** on the 9th May (details from Scott Balfour, 031 445 3966) and at **Holyrood Park** on the 6th June (details from Janet Fallon, 031 554 0090).

 **Club Weekend:** Pat Squire has again managed to get us accommodation in Kingussie for an Autumn Club Weekend to coincide with the INVOC Spey Valley Scotlandsgaloppen event in September. Details to follow, keep the weekend free!

 If you are interested in **mapping** and would like to go on a **surveying or cartography** course, get in touch with the committee. Resources are available to put on courses but interest is required.

 If you would like to go on any relevant course, or are selected for a representative match, or just about anything else "worthwhile", why not apply to the club for funding? We have money available to contribute towards the cost of suitable projects.

 We hope to put a team or two in the **Harvester** relay, contact Charlie Walton (031 554 0090) if you would like a run or for more information. Volunteers for night legs required!

 **Membership update:**

Welcome to new member Graeme Ackland (M21, F), 24 Lygon Road, Edinburgh EH16 5QB (031 668 3704);
